VIRGINIA INC.

**A/T F-ST**

*Hit Your Targets with Kinyo Blankets!*

## The Kinyo Air Tack F-ST is designed for two piece can printing

### The A/T F features:

- Closed cell compressible layer designed for high impact impression and recovery.
- Nitrile rubber for use with waterless inks.
- Specially treated surface delivers longer life for more label changes before changing blankets.
- Polished rubber surface for excellent ink transfer and perfect dot reproduction.
- Custom adhesive developed for secure mounting and clean removal from cylinders.
- Strict gauge control from blanket to blanket for quicker setup and excellent dot reproduction.

Technical Data			
Color	Blue		
Surface rubber	Nitrile blend with specialized surface treatment
